

KING RICHARD'S FAIRE

Why go back? Back in time to a recreation of a Renaissance village fair in the days of kings, knights, knaves and knock-about humor? Because here in this woodland a fantasy kingdom offers escape, entertainment, and a little participation in the course of history.

King Richard's realm is a theatrical reinterpretation of a time centuries ago. This season the Realm is hosting both the Grand Olympic Goodwill Games and visits from characters from many countries. Spend your day here meeting the royalty and the townsfolk; joining in the games and the action; visiting the shops where artisans create unique and beautiful items; sampling an astonishing array of food and drink; and enjoying jugglers, comedians, stiltwalkers, storytellers, dancers, musicians, and players of international renown. See a joust. Talk to a wizard. Dance with a gypsy. Have lunch with a balladeer, a pirate, a blacksmith, a Russian ambassador, or a princess. In King Richard's Realm, it's all possible.

Why go back? Come back with us and discover the possibilities. And take the celebration and high spirits of the Faire back with you.

BECOME AN APPRENTICE

Did you ever seriously wish to be part of the "living theatre" that is the Faire? Well, beneath the costumes and makeup are skilled and trained professional performers. Many of them have received training right here at the Faire as Apprentices. You too can be an Apprentice.

The Apprentice Program, offered to anyone interested or experienced in the performing arts by King Richard's Faire at no tuition expense, consists of classes, workshops and practical experience covering a broad spectrum

of performance disciplines. Included are acting, stage combat, dance, improvisation, music and ensemble performances.

All the classes and workshops are taught by professional artists and educators, who work side by side with Apprentices from pre-Faire classes through the seven weekends of the Faire.

Those interested in the Apprenticeship Program may receive information by calling or writing the Faire office.

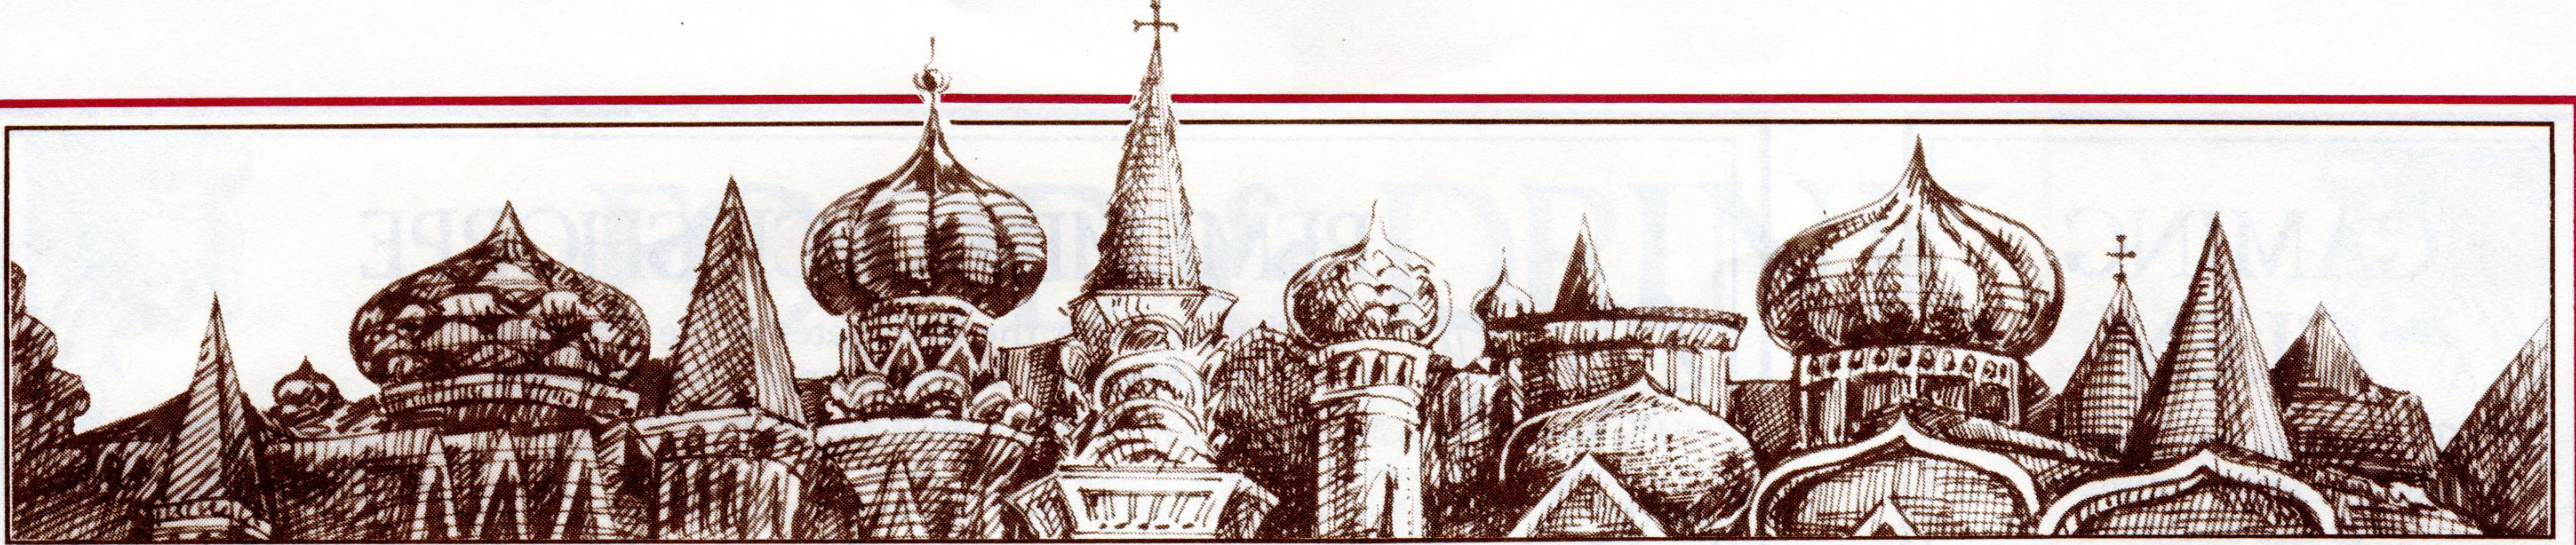

VIDEOTAPE POLICY

The use of videotape equipment is strictly forbidden without the expressed consent of the Producers and/or Artistic Director.

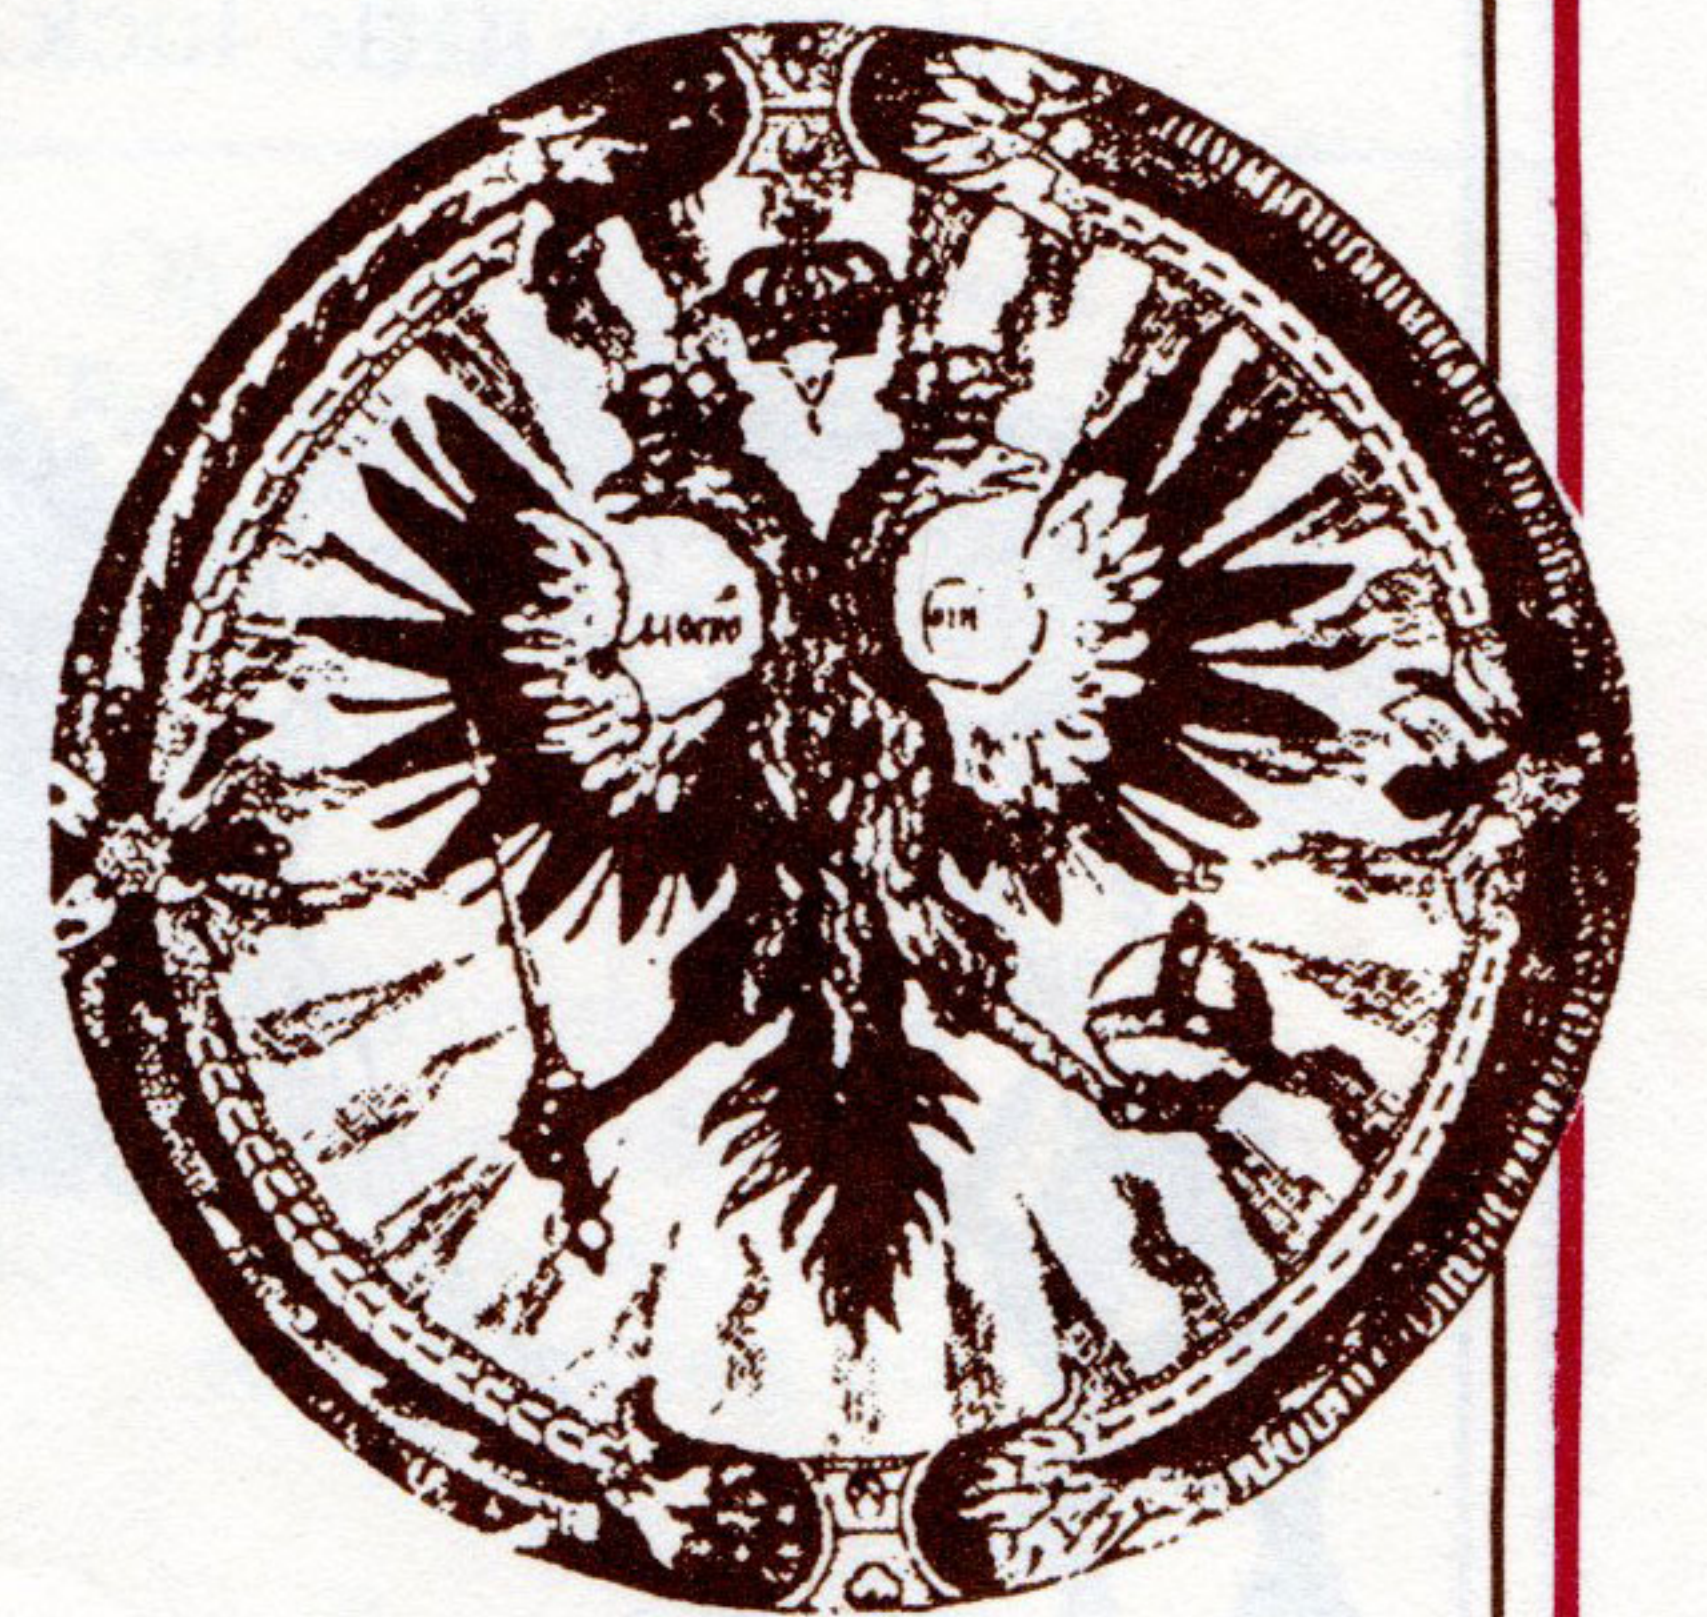

WEAPONS POLICY

Any weapons (swords, daggers or wooden swords) used as an accessory to a costume must be sheathed while at the Faire.

“CALL ME COMRADE”

JUST A FANTASY?

Everybody in the kingdom is hoping it's not.

Centuries of strife have ended as the first Goodwill Games in years are held in Richard's Realm. Czar Ivan the Grateful and his entourage from the Court of Russia are here, as are athletes and ambassadors from all over the world. We invite you to take part in the games, festivities, and general mayhem: espionage, sabotage, romance, beer-hall brawling, and a plot on the life of the Czar. Join us in bringing down the bad guys and cheering on the goodhearted as *you* help decide the outcome of the Games, the Realm, the world and the future. (And that's not just a fantasy.)

1:00 ROYAL PROCLAMATION

King's Stage

Meet the Olympiads, the Russian Court, the rabble-rousers, the romantics, the derring-doers and the wrongdoers in a song and dance extravaganza.

4:15 GRAND SUMMIT

King's Stage

Applaud the Games winners, unmask the traitor, choose the new ambassador, settle the love story, and decide world history—*your* vote counts.

6:30 KING'S REVEL

Minstrel's Glen Stage

Bid farewell to old and new friends and celebrate with world-class musicians and entertainers as we say “Merry meet, merry part, and merry meet again.”

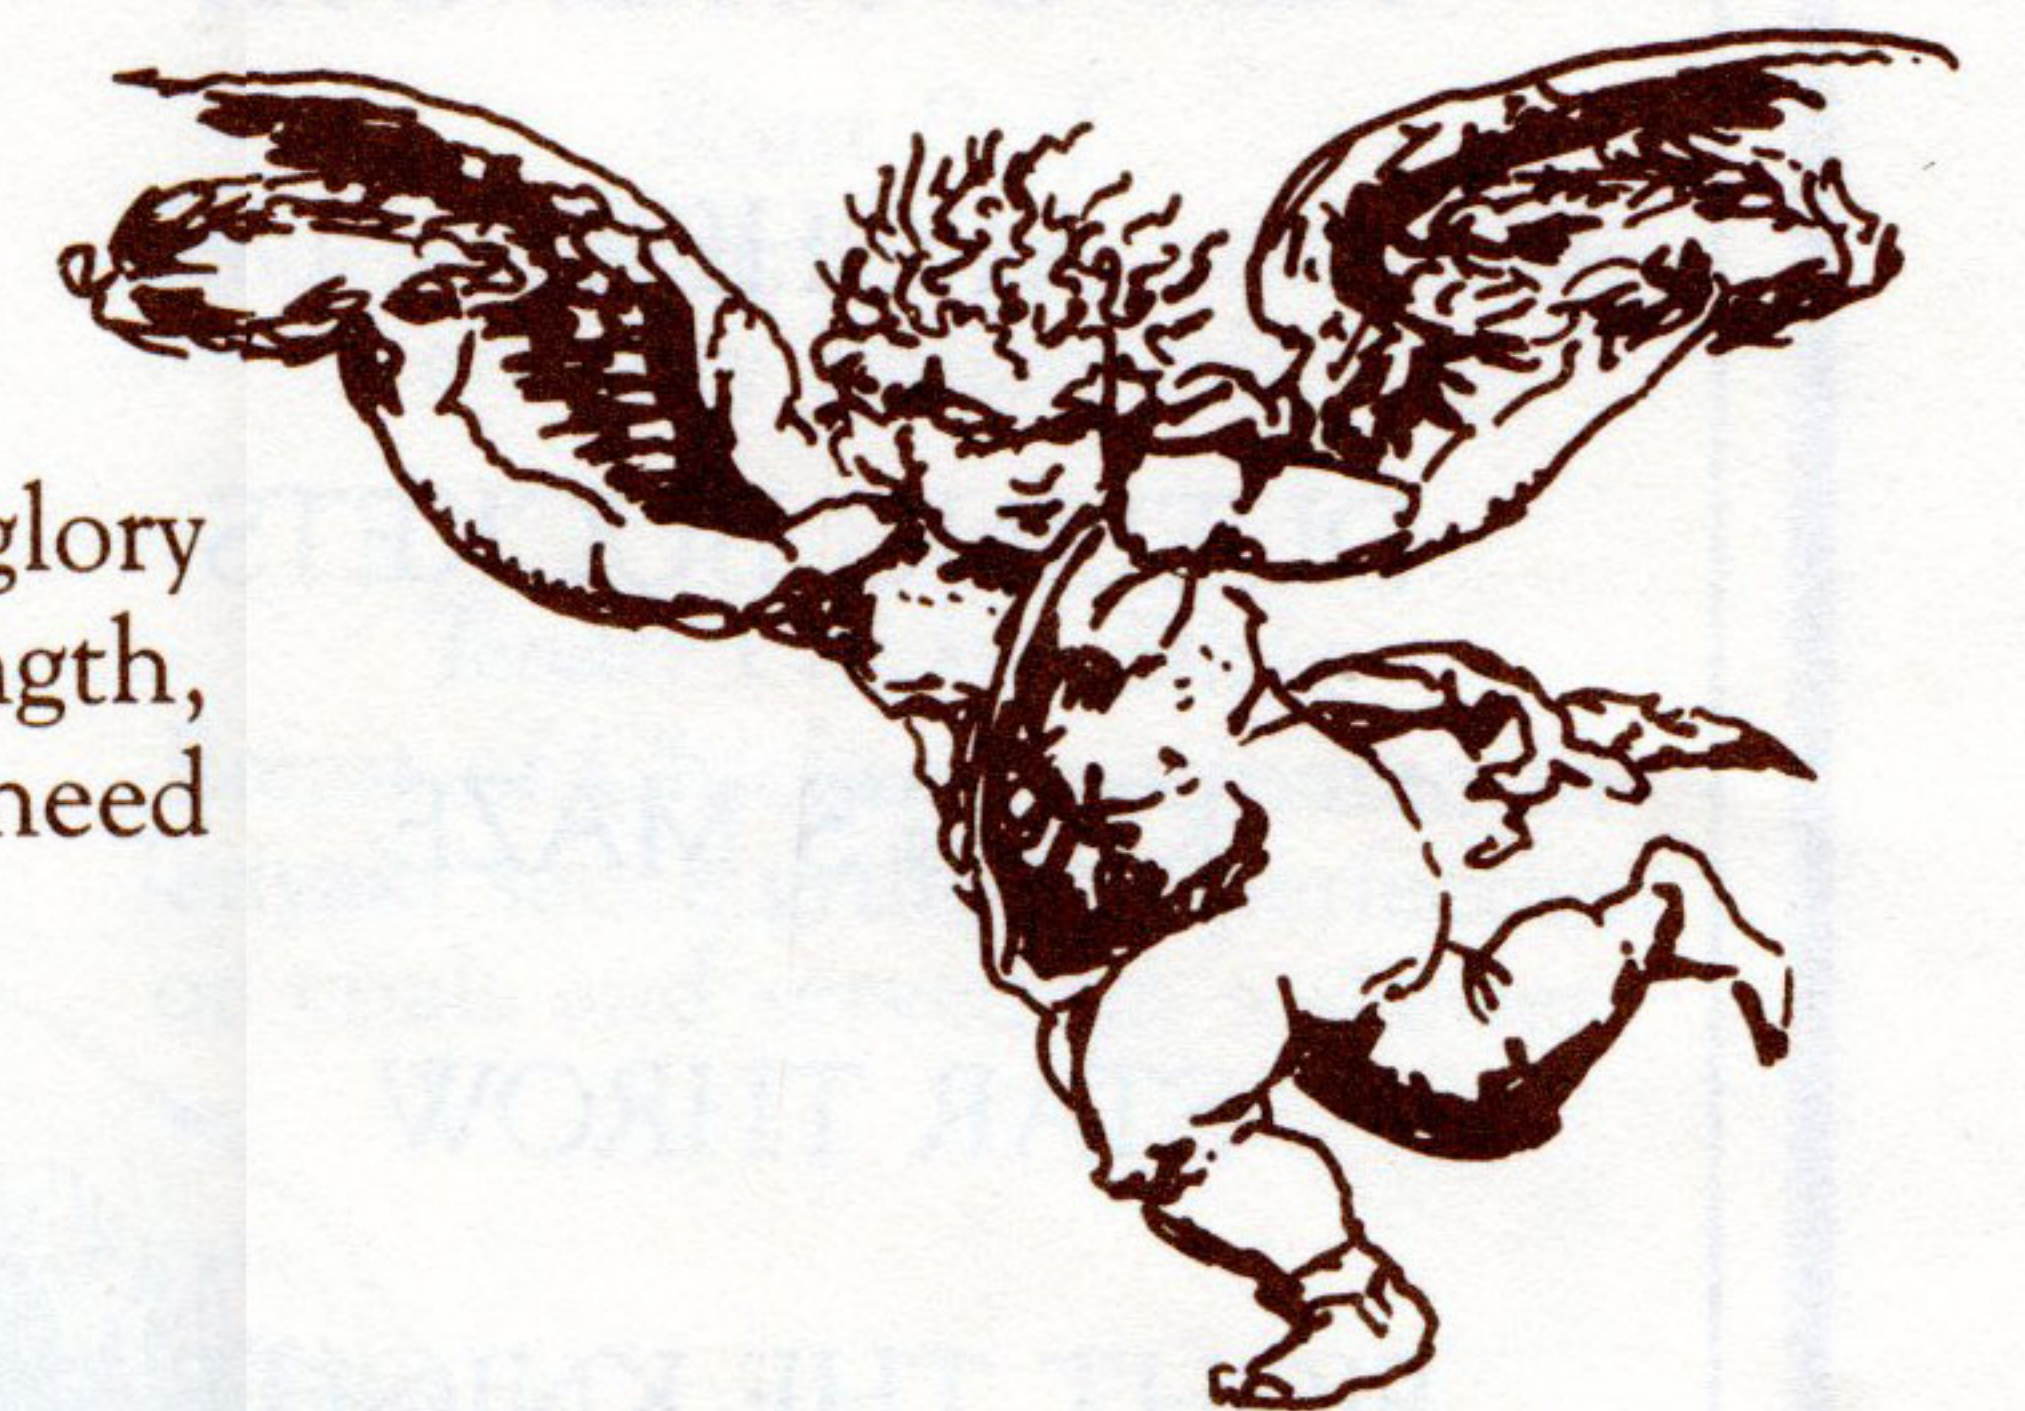

JOIN THE GAMES!

Olympiads from countries far and near will compete in spectacular events for national glory and for the sheer fun of it. Come and witness the discus, the marathon, the tests of strength, the Swiss mountain climbing attempt, the Faberge egg toss and much more. Athletes need your support and your participation in some of their more challenging games.

Come cheer on your favorites!
